WHAT LATITUDE OFFER

Partners and Managers at Latitude play an integral role in mentoring cadets, offering a wealth of technical expertise and first-hand client experience. We have a passion for educating the next generation of accountants, providing you with the tools and knowledge you need to excel.

We offer regular, detailed training sessions, workshops, and specialist seminars facilitated by both external and internal instructors. Latitude provides an exciting opportunity to fast-track your career and earn while you learn.

FINANCIAL SUPPORT

Our cadets receive a competitive remuneration package, Exam & Study Leave and Book Allowance to help support their study and ambitions.

EXPERT MENTORSHIP

An experienced mentor will guide you through our Cadetship Program and help you stay on track to succeed.

HANDS ON EXPERIENCE

Our Cadetship Program takes you through real, on-the-job learning to develop your business insights and practical skills.
